THEME: KINGDOM OF GOD AND SOCIETY

This international network of apostolic ministries began to come together several years ago among various apostolic ministers from different continents. The first meeting was held in Italy in the year 2000 with a small group of eleven people. Since then we have met each year in a different country for 10 years to develop fellowship and grow in the understanding of God's purpose for the unity, quality and quantity of His Church.

**A.F.I** is an open circle of fellowship seeking to build strong and durable relations with apostolic ministries which, inspired and motivated by the revelation of the mystery of Christ and His Church, sense their need to join together in order to cooperate with God in the fulfillment of His great objectives for the church and for humanity in general.

We decided to have the CONSULTATION in the Napoli Area, because prices are much cheaper than most West European cities. Accommodation will be of very high standard at very reasonable prices. So if you are coming by Air the best way is to fly to Milan or to Rome or to any other European Airport with connection to Napoli.

**If you fly to Rome take the flight connection to Napoli !**

On the Website pages we provide details of all the necessary information. In order to book your participation please go on the website: <http://www.afint.org>, and book directly there, **please before March 31 !**

We pray that you may be able to participate to this important consultation and in all of God's moving in this very special time.

Your servants, in the name of Jesus,

**Giovanni Traettino**

**Ernesto D. Bretscher**
